How can a prime contractor add subcontractors after the award if their craft training certification was not submitted at the time of the pre-qualification?</p> <p>4. What happens if a prequalified prime contractor fails to maintain a craft training program for the life of the contract?</p>	<p>1.No, the prime contractor and subcontractors need to submit the "Prequalification for US 301 Contracts" form and provide supporting program documentation no later than 10 a.m. local time on the date of bid opening for prequalification.</p> <p>2. Yes, the prime contractor and subcontractors need to submit the "Prequalification for US 301 Contracts" form and provide supporting program documentation no later than 10 a.m. local time on the date of bid opening for prequalification.</p> <p>3. We will consider the addition of subcontractors after award of the Contract. Any subcontractors added will be subject to the same prequalification requirement for craft training in order to be approved for use on the Contract.</p> <p>4. Enforcement of the craft training program will be the responsibility of the Delaware DOL.</p>

Q #	Question	Answer
B	Are we to submit all subcontractors that are under consideration, as the final decision on who we will be using will not have been made by that time?	To comply with 29 Del C. 6962(c)(11), all contractors and subcontractors with apprenticeable trades are required to have a craft training program and must be prequalified to bid on the US 301 projects.
A	Will you be publishing the list of signed in attendees to the US 301 Contractor Information Meeting held on August 24?	For questions and answers regarding unofficial information presented at the Contractor Information Meeting, please refer to the US301 Project Web site: http://www.deldot.gov/information/projects/us301/us301Archive/ContractorInfo/index.shtml
